Meet Nana, the naughtiest grandmother in the world. She loves to play pranks on her grandchildren, and she's always getting into trouble. But don't worry, she's got a heart of gold, and she loves her grandchildren more than anything in the world.

In Bad Nana, Nana's grandchildren are visiting her for the summer. They're excited to spend time with her, but they're also a little bit worried. They know that Nana loves to play pranks, and they're not sure what she'll do next.

Nana doesn't disappoint. She starts by putting itching powder in her grandchildren's beds. Then she hides their clothes. And then she even tries to trick them into eating dog food. But Nana's grandchildren are too smart for her. They know that she's just trying to have fun, and they love her for it.

Bad Nana is a hilarious and heartwarming story about the special bond between a grandmother and her grandchildren. It's a book that kids and adults will love to read together.
