Vladimir Tod is a vampire. But he's not like the vampires you see in movies. He's not a bloodthirsty monster. He's just a regular kid—except for the fact that he's immortal, can't go out in the sun, and has to drink blood to survive.

Eighth grade is tough enough without being a vampire. But Vladimir is determined to make it through. He's got his best friend, Henry, to help him. And he's got a crush on the new girl in class, Meredith. But when a group of vampire hunters starts to close in on Vladimir, he's going to have to face his fears and learn to use his powers for good.

Eighth Grade Bites is a funny, heartwarming, and suspenseful novel about friendship, identity, and the power of being yourself.
