## How to Use Essential Oils for Relationships

There are many ways to use essential oils for relationships. You can diffuse them in your home, apply them topically, or add them to your bathwater.

You can also use them in massage oils or create your own custom blends.

When using essential oils for relationships, it is important to dilute them with a carrier oil, such as jojoba oil or coconut oil. This will help to prevent skin irritation.

## **100 Essential Oil Blends for Relationships**

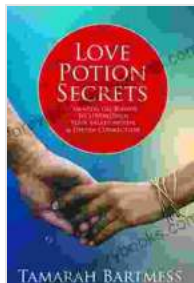

This book provides 100 essential oil blends that can be used to improve your relationship with your partner, family, and friends. These blends are designed to promote love, intimacy, communication, and connection.

Here are a few of the blends included in this book:

- **Love Blend:** This blend is designed to promote love, passion, and intimacy. It contains the following essential oils: rose, jasmine, ylang-ylang, and sandalwood.
- **Communication Blend:** This blend is designed to promote communication and understanding. It contains the following essential oils: lavender, bergamot, and clary sage.
- **Connection Blend:** This blend is designed to promote connection and bonding. It contains the following essential oils: frankincense, myrrh, and patchouli.

Essential oils can be a powerful tool for strengthening relationships and deepening connections. This book provides 100 essential oil blends that can be used to improve your relationship with your partner, family, and friends.

If you are looking for a way to improve your relationship, I encourage you to try using essential oils. They can help you to create a more loving, intimate, and connected relationship.
