Welcome to the Country Cooking School, where the food is always delicious and the mysteries are always puzzling.

When the body of a beloved cooking instructor is found in the school's kitchen, it's up to amateur sleuth and cooking enthusiast Ellie Jackson to find the killer.

Ellie has always loved to cook, but she never expected to find herself caught up in a murder investigation. With the help of her friends, including the school's handsome chef, she sets out to uncover the truth.

As Ellie investigates, she learns that the victim was not as well-liked as she seemed. She had a reputation for being a perfectionist and a bully, and she had a falling out with several people in the school.

Ellie interviews the school's staff and students, and she soon begins to suspect that one of them is the killer. But who could it be? And why would they want to kill the cooking instructor?

Ellie is determined to find the truth, but she soon realizes that she is in over her head. The killer is clever and cunning, and they will stop at nothing to keep their secret.

As Ellie gets closer to the truth, she puts herself in danger. But she is not afraid. She is determined to find the killer and bring them to justice.
