If you or someone you know has been diagnosed with breast cancer, I highly recommend reading Lavender Hair. It is a book that will offer hope and encouragement during a difficult time.

Here is an excerpt from one of the devotions in Lavender Hair:

“Devotion 1: The Lavender Hair Promise

I will not be afraid, for the Lord is with me; I will not be dismayed, for he is my God. He will strengthen me and help me; he will uphold me with his righteous right hand.

—Isaiah 41:10

When I was first diagnosed with breast cancer, I was terrified. I didn't know what the future held, and I was afraid of what it would mean for my life. But then I remembered this verse from Isaiah.

This verse promises that God is with us, even in our darkest moments. He will strengthen us and help us, and he will

uphold us with his righteous right hand. This promise gave me hope during a time when I felt like I was losing control.

I know that the journey of breast cancer can be difficult. But I also know that God is with us every step of the way. He will give us the strength and the courage to face whatever challenges come our way.”
