Zachary is a 12-year-old boy who weighs 600 pounds. He has been bullied and teased his entire life, and he has never really felt like he belonged anywhere. When his parents decide to move to the small town of Antler, Nebraska, Zachary is skeptical. He doesn't think he'll ever fit in, but he is soon proven wrong.

The people of Antler are kind and welcoming, and they quickly accept Zachary for who he is. He makes friends with a group of other misfits, including a girl named Lizzy, who is also overweight, and a boy named Calvin, who has cerebral palsy. Together, they form an unlikely bond, and they help each other to overcome their challenges.
