Beah Richards was a trailblazing African American actress who overcame racism, poverty, and sexism to achieve her dreams. Her memoir, *One More River to Cross*, is an inspiring story of resilience and determination.

Richards was born in 1920 in Vicksburg, Mississippi. She grew up in poverty and faced racism from a young age. But she never gave up on her dreams of becoming an actress. She moved to New York City in the 1940s and began her career in the theater.

Richards's career was marked by both successes and setbacks. She starred in Broadway shows and films, but she also faced discrimination and prejudice. She was often typecast in stereotypical roles, and she was paid less than her white counterparts.

Despite the challenges she faced, Richards never gave up on her dream of becoming a successful actress. She continued to work hard and eventually achieved her goals. She became a Tony Award-winning actress and was inducted into the Black Filmmakers Hall of Fame.

One More River to Cross is the inspiring memoir of a remarkable woman who overcame adversity to achieve her dreams. It is a story that will resonate with anyone who has ever faced challenges in their own life.
