

Prayers Of Blessing Over My Adult Children

As parents, we want what is best for our children. We want them to be happy, healthy, and successful. But as they grow up and become adults, we may find ourselves feeling less connected to them. They may be living in different cities or even countries. They may have their own families and careers. And they may not always be receptive to our advice.

One way to stay connected to our adult children is through prayer. Prayer is a powerful way to express our love and support for them. It is also a way to ask God to bless them with the things they need.
