Roses are red,
Violets are blue,
Farts are stinky,
And Fred's are too!

Fred was a prince, but he wasn't very charming.
He had a big belly and a bad case of gas.
He couldn't control it, and it made him pass
The smelliest farts you've ever smelled in your class!

The other princes and princesses made fun of Fred.
They called him "Stinky Fred" and "Farting Fred."
Fred was so embarrassed that he didn't know what to do.

He tried to hold his farts in, but it was no use.

They would always sneak out, and they would always make a big fuss!

One day, Fred was so desperate that he went to see the royal wizard.

"Help me!" begged Fred. "I can't take it anymore. I'm the laughingstock of the kingdom!"

The wizard stroked his long white beard and said, "I can help you, Prince Fred. But it will not be easy. You must go on a quest to find the magical fart-stopping flower."

Fred set off on his quest, and he traveled far and wide.

He crossed mountains and valleys, and he sailed across the deep blue sea.

He met many strange and wonderful creatures along the way,

But he never gave up hope of finding the magical flower one day.

Finally, after many months of searching, Fred came to a beautiful meadow.

In the center of the meadow was a single flower, and it was the most beautiful flower Fred had ever seen.

The petals were a delicate shade of pink, and the leaves were a lush green.

Fred knew in his heart that this was the magical fart-stopping flower.

Fred picked the flower and took it back to the castle.

He crushed the petals and sprinkled them on his food.

And guess what? It worked! Fred's farts were gone for good!

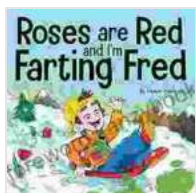

Fred was so happy that he could finally control his gas.

He was no longer the laughingstock of the kingdom.

Instead, he was known as the prince who had found the magical fart-stopping flower.

And everyone lived happily ever after.
