By Dawn Rochelle One

When Dawn Rochelle One was given a terminal diagnosis, she was faced with the ultimate question: how do you live when you know you're going to die?

In her powerful and moving memoir, **Six Months to Live**, Dawn chronicles her journey of self-discovery and acceptance as she grapples with her mortality. Through raw and honest storytelling, she invites us to confront our own mortality and unlock the potential for extraordinary living.

Dawn's journey is one of both heartbreak and hope. She faces her fears head-on, from the fear of death to the fear of leaving her loved ones behind. But she also discovers the hidden strength within herself, the resilience of the human spirit, and the power of love.

As Dawn's time grows short, she learns to live each day to the fullest. She spends time with her loved ones, travels the world, and pursues her passions. She also finds solace in nature and spirituality, finding comfort and peace in the beauty of the world around her.

Six Months to Live is a story of courage, resilience, and hope. It is a reminder that even in the face of death, we have the power to choose how we live our lives. Dawn's journey will inspire you to live your life with purpose, passion, and love.
